**Categorification
in Low Dimensional Topology**
student workshop 21–25 July 2025 + research conference 25–26 July 2025
Ruhr University Bochum, Germany

Registration Instructions

Important

- Please note that the number of participants is limited. The first registration deadline will be **15 March 2025**.
- We advise that you do not make any bookings before we have confirmed that you can indeed participate.

Funding

Accommodation will be organized for all registered students and postdocs.¹ Travel to and from Bochum should be organized individually and will, by default, not be covered by the organizers. However, students and postdocs whose institutions are unable to cover their travel expenses can ask for additional financial support when registering.

How to register

To register, please send an email to

Insa.Meffert@rub.de

using the template on the next page. By applying, you allow the organizers to use your personal data to contact you. The data will not be shared with any third party.

¹For participants with tenure/tenure-track positions, accommodation can also be arranged by the organizers if desired. However, such participants may have to cover the costs themselves.

Email template for registration

Dear Insa,

I would like to register for the workshop and conference “Categorification in Low Dimensional Topology” 21–26 July 2025.

Here are my registration details:

- my full name:
- my status: (e.g. BSc/MSc/PhD student, postdoc, permanent faculty)
- my current institution:
- my advisor: (only for BSc/MSc/PhD students)
- expected date of arrival:
- expected date of departure:
- I require/do not require travel support.
- I require a hotel room/I do not require a hotel room.
- I agree/disagree that my full name and institution may appear on a public list of participants.
- I agree/disagree that my full name, email address, and institution may be shared with other participants of the conference via unencrypted email, e.g. for coordinating travel.

Kind regards,
